

Spring Equinox Affirmations

3/20/23

The future

Everyday I receive productive and positive thoughts from the Universe
I know what it feels like to view the future in a positive light
I know what it feels like to be one with life; past, present, and future
Each day brings wonderful new surprises

Money/Abundance

The economy loves me
Success around me fuels my success
My income is constantly increasing
I prosper wherever I turn
I allow income to flow from all sources and unknown sources

Change

I'm ready for change
It's safe to make changes
I know what it feels like to change my boundaries
I accept and allow people to be who they are
I allow loved ones to be on their path

Family

I know what to do and when to do it
I trust the soul path and guidance of my loved ones
I know what it feels like to trust what my family came here to do
It's possible to change my role in my family
I'm content with knowing I'm always doing my best

Career

I fulfill my life purpose in every job I hold
Wherever I work, I am deeply appreciated and well-compensated

Health

I am already healed
I know what it feels like to live without these symptoms
I know how to live without feeling these symptoms
I understand the Universe's definition of health and well-being

Personal

I know what it feels like to connect to my passions and interests
I remember my passions and interests and what I came here to experience

Spiritual

I trust my intuition
I am fulfilling my life purpose each day, even when I don't see it
